Mrs Lester Barber.  
Marengo -  
Ills.

Dear Mr. Washington I am  
glad to see some of your people  
down here & to know that you  
are all well you stocked the  
market - We like it here  
as much as and have not  
at this time seen more than  
again. Harriet and I have been  
here always. She has been very  
well.
